Issue 24, Week 5, Term 3

Kia ora koutou

**The Pied Piper** - Senior students have been rehearsing the school musical "The Pied Piper" since the end of last term. This is taking place in week nine (see advertisement below). All cast members will need to be at school by 6:30pm, unless notified otherwise. The support from parents of the cast members is most appreciated. The show involves acting, dance and singing. Seetha, Shani and Clifford are all involved in bringing this show to life and will be attending each night with the children. There are also students working with Steve to create a set for the show. It is vital the children know their lines and their songs, therefore please support them with this as much as you can at home.

We can only accommodate 90 people per night, so please ensure you book a ticket in advance. All the children will see the show's dress rehearsals at school therefore may not need to come to a night performance.

***Te Taonga Horomata: Our virtue is Humanity***

*Humanity is an attitude of caring and mercy toward all people. We all breathe the same air. We all cherish our children's future. We all suffer and rejoice. Although in the eternal scheme of life, each of us is small, we are one of a kind, irreplaceable. We lose our humanity whenever we generalise about a group of people and separate ourselves from them because of external characteristics such as race or sex.*
