Over-arching theme and topics - Our over-arching theme for the year is Te Ranginui - The Sky. This theme will generate topic for the year that teachers and learners will explore together through science and social science units. Some of these units will incorporate student inquiry and others may be integrated with other subjects. Topics may include learning about:

- The planets
- The atmosphere
- The history of Space exploration
- The moon, the sun and stars
- Weather
- Clouds
- Aviation and/or famous aviators

Teachers will be letting parents know the topics they are exploring through their class newsletters.

On 14 March we have accomplished New Zealand illustrator Bruce Potter visiting the school to talk to the children. We need a family who would be willing to billet Bruce for one night. Please contact the office if you are able to help. (She will ring back if you leave your number with Jillian.)

Johanne is working in the library on Wednesday afternoons (odd weeks) and every Thursday (even weeks.) Therefore being week 2, Johanne is in the library this week on Wednesday afternoon. She also works in the library during part of the lunchtimes that she is here.

Below is a table of some key events and dates for 2016. Other events and activities will be added as the dates are confirmed, therefore this table will be updated at the start of every term.

Technology for Year 7 and 8s begins this week on Thursday. Year 7 and 8s are taken by bus, leaving school at **8.40am**, to the Technology Centre at Karori West School. Clifford will be the teacher accompanying them. Children take their morning tea with them, as they don't return to Otari until lunchtime. **The cost for each student for Technology for the year is \$50.00 payable to Otari School.**

Swimming Lessons - Swimming for our Year 1 & 2 students begins on Friday. Information has been sent home regarding this. **Cost is \$40 payable to Otari School.** We need lots of parent help to assist with changing clothes so if you are able to help please meet us at Khandallah School pool at 10.50am. We will require help every week for 8 weeks but even if you can only help one or two weeks, that would be great.

Māori Immersion Whānau Hui - Tuesday 16 February at 5.30pm in Tui.

School Picnic, Wednesday 2 March - This year we are going to back to Scorching Bay. We will leave school at 9.30am and return at 2.30pm. All whānau are encouraged to come and enjoy the day. We will require lots of parent help. All children are to travel by bus with parents making their own way there. **The cost for the day is \$5.00 per child.**

Lost Property - Please make sure you name your child's clothing! This is very helpful if items are left around the school.

Classroom Consumables - As shown on the stationery list students are required to pay \$10 to cover classroom consumables for the year. Please ensure that the \$10 per child is paid to the office as soon as possible. A donation of \$10 for photocopying/printing/photography would also be appreciated.

Civil Defence - This year we are not asking for boxes of food for each child. Our most recent advice is that the school should just keep a few supplies on hand for a limited amount of people. This advice is based on what actually occurred in the Christchurch earthquake.

Library Panui - We welcome visits to our library. A reminder to our summer borrowers that books are now due back.

Library routine reminders:

Overdue Books

Books are borrowed for two weeks. Years 0-4 can borrow up to three books, years 5-8 up to 5 books. We do not charge for overdue books, but we do invoice for lost or damaged books. If your child has an overdue book, we still encourage them to borrow up to their limit.

Our procedure for following up overdue books is:

Step 1 - Talk to the child and remind them about their overdues

Step 2 - Send home an overdue slip

Step 3 - Ring parent/caregiver

Step 4 - Letter with invoice

Your child will visit the library every week with their class, as well as fortnightly library focused lessons. The library is also open every lunchtime.

If you have any concerns regarding the library, please contact Johanne (library@otari.school.nz).

Thank you for your continued support, Johanne

Here are a few reminders, especially for our new parents:

Issues and Concerns - We know there will be times when parents have a concern. We also know that there will be times when something that has occurred at school might be confusing, annoying or upsetting. Please seek clarification from your child's teacher first, if class related, or from the principal if school related. It is always better to talk about a concern with the teacher than to worry. Often this enables things to be cleared up very quickly. When teaching and managing children there are occasions when the teacher 'gets things wrong.' When we do, we want to know and make amends. At the same time, sometimes only half a tale is told, so it is important to seek clarification first before making a judgement. We are in 'loco parentis', which means 'in the place of a parent.' Just like parents, we are fallible, but also like parents, we ultimately want the best for your children and their futures.

We also try hard to communicate information effectively. In this school there are many groups to communicate with and sometimes we do find this challenging. We know we need to continually do our best to get information out there. Please help us by reading your newsletters and class notices thoroughly.

School begins at 8.55am. We finish at 2.55pm.

Hats are compulsory in terms one and four. If children do not have a hat they must stay in the shade. The hats must have a brim that covers ears and neck. Caps are not suitable.

Absent Children - If your child is going to be absent from school please ensure you ring (475-3018) or send an email (office@otari.school.nz) before 8.55am stating why your child is away.

Lunches - We have three choices this year:

- Sushi is available on Tuesdays, ordered online at www.wrapitsushi.co.nz.
- Subway is available on Thursdays, ordered online at www.lunchonline.co.nz
- Hell Pizza is available on Fridays. Order slips can be found at the office (\$5 each).

Driveway - Parents are asked to refrain from parking at the bottom of the driveway between 8.15 - 9.30am and 2.45 - 3.30pm. Parents are to 'drop and go' only. Please do not park up or down the drive and leave your car. The Otari Bush Reserve (around the corner) is available for temporary parking, or park on Wilton Road.

Cookies are sold from the office at morning tea. Cookies are 80 cents.

School Closure - Should the school need to be closed due to unforeseen circumstances (e.g. bad weather) the following will occur:

- A closure notice will go on The Breeze and Newstalk ZB radio stations.
- A closure notice will go on our facebook page.
- A closure notice will go on the school web page. (Make sure you use the refresh button to get up-to-date information.)

Te Taonga Horomata: Manaaki, Tiaki-pai. Our Virtue is Caring
Caring is giving tender attention to the people and things that matter to us. It is being a compassionate witness, listening to another wholeheartedly and without judgement. We show what we care with thoughtful acts and kind words. When we do a careful job, we give it our best effort. We are not indifferent to things that matter.

Have a great week everyone.

Regards
Clifford
