Issue 13, Week 4, Term 2

## **BOARD OF TRUSTEE ELECTIONS - Declaration of Parent Election Results**

At the close of nominations, as the number of valid nominations was equal to the number of vacancies required to be filled, I hereby declare the following duly elected:

Ford, Rich  
Thompson, Catherine

Kuka, Natasha  
Wagner, Adrian

Mayne, Mike  
Wahanui, Aroha

## **Declaration of Staff Election Results**

At the close of nominations, as there was only one valid nomination received I hereby declare:

Leda, Shani duly elected

Jillian Wilson, Returning Officer

Kia ora koutou

I look forward to working with our new board members, Rich and Mike, and to continuing to work with our returning board members Natasha, Adrian, Catherine and Aroha. Aroha, Catherine and Rich all have children in the Montessori Strand, Natasha and Adrian are Immersion strand parents and Mike is an Original strand parent. Our new staff representative is Shani Leda, who teaches Totara class.

While board members may be affiliated with a particular strand due to their children, their governance role is one that encompasses the whole school. They are the employers of all staff and their decisions are made in the best interests of the whole school.

As you will have noticed, Jason Lubransky, our chairperson over the past two Trustee terms, is not returning. It was with some sadness I received this news from Jason last term. Jason will be attending one more meeting before he hands the chairperson reins over to another trustee.

Jason has been a very dedicated, involved and effective chairperson. He has taken his governance role seriously and the staff has appreciated the fact that he has taken the time to get to know them. His effective liaison with them has been a feature of his time as chairperson. Jason has maintained regular meetings with me once a week. I have always looked forward to these and benefitted from his insight, humour and down to earth approach on more than one occasion. We have all appreciated the commitment Jason has demonstrated throughout his time as Chairperson and wish him the very best for the future.

We also thank Seetha Ganesan for her time on the Board. She has represented the staff very well. Her energy and thoughtful contributions throughout her years on the Board have been appreciated by us all.

**Cross Country** - Our school Cross Country is next **Wednesday** (1 June) at Wilton Park (just down the road). We will leave school at 12.30pm and aim to start between 12-45-1.00pm. All parents/caregivers welcome to come along and watch.

Dear Parents

Ministry of Education – Special Education, and several NGOs are working together to provide the Incredible Years Parenting Programme throughout this district in 2016. We understand that you are thinking about attending an Incredible Years Programme with us. Here is some information for you.

Incredible Years is a programme that helps with the day to day difficulties in parenting children (aged 3 – 8 years old) with challenging behaviour. It is run as a group. Incredible Years builds on the strengths that you and others in the group already have. Because each child is an individual and no two families are the same, Incredible Years will help you to parent your unique child. Building a positive relationship with your child is the basis from which changes can be made and parenting can become easier. This programme has been run worldwide for over 30 years and has helped many parents and their families, in NZ and beyond.

#### **What can I expect if I attend Incredible Years?**

- To become part of a fun, interactive and supportive group
- Attend weekly 2½ hour sessions for a period of 14 weeks
- Join a group of 12-18 parents who are also experiencing challenges in parenting
- Have opportunities to share my experience and ideas and build my confidence as a parent

#### **What is special about Incredible Years?**

- It is a programme that has been proven to be effective for families experiencing challenges with their children
- It is a programme run by facilitators with knowledge in specialist areas
- The first half of the programme builds on your child's social abilities and co-operative behaviours.
- The second half of the programme focuses on how to reduce the inappropriate behaviours
- Incredible Years puts the fun back into parenting!
