Kia ora Montessori Parents,

Are you looking for a fun and meaningful way to support our school while connecting with fellow parents? We invite you to our weekly **"Parent Resource Time"** sessions, where we come together to create valuable classroom resources and enjoy some quality time.

**When: Every Tuesday Time: 3:00pm - 4:00pm Where: Ngaio Classroom**

During these sessions, parents will have the opportunity to:

- Create paper resources, laminating materials and engage in various resource-making and fixing activities.
  - Chat, share experiences and connect with other parents in a friendly and supportive environment.
  - Enjoy quality time with other parents while your children play in the school playground and field.
- Even if you can only come for 20 minutes, we hope to see you there and look forward to building a stronger, resourceful and connected Montessori community together.
