**Strategic Plan** - Take the opportunity to have a say in the strategic planning for Otari School. The Board invites all parents to contribute to the development of the new Otari School Strategic Plan. This involves a 5-minute survey at the following link: <https://www.surveymonkey.com/r/2SRFKLL>. The survey asks what you would like the Board to focus on for the next three years. It is only 8 questions and parents are invited to indicate if they would like to be involved in a face-to-face discussion. Please complete the survey by **5pm on Wednesday 11 November**.

**Emails to staff** - Please be aware that if you are seeking a quick response from a staff member about any issue or concern then a phone call or visit to the school might achieve this more effectively than an email. Staff will endeavour to answer emails as soon as they have the time available to do this.

**Sunhats** - I am pleased to see that most children are wearing the regulation sun hats. Otari School is a "Sunsmart School." Your support of our sunsmart messages is appreciated.

**Fair** - The schedule of stall volunteers will be posted at school in the next couple of days. There will be a copy in the office and one posted outside each strand. Coordinators of each stall will also be in contact with the people rostered on their stall. If you have not been contacted by the end of the week, please check the rosters at school or contact Lou at [louhannagan@gmail.com](mailto:louhannagan@gmail.com). We still need helpers, so if you are coming to the fair but haven't signed up to help yet, please contact Lou.

**Parent Donations** - Donations enable us to fund extra activities and help us resource our education priorities within budget. The budget includes funding to support class trips, camp, end of year activities, swimming lessons for junior children and a few extra teacher and teacher assistant hours. Please pay your donation this term if you have not already done so (our bank account is 060561-0017355-00).

**Jack Flash & The Jumping Beanstalk** - This production by NZ Playhouse will be performed to the school tomorrow at 11.05am. The cost per child is \$4.00. Please return the slip at the end of the newsletter.

**Nits** - Please check your child's head for nits and treat if necessary.

This is a great training for all, you will practice different kind of concentration practices to discover what works best for you and when. Because you know yourself best! This is a down to earth "non spacey" training which can help to integrate mindfulness into your daily life. All meditations are downloadable as mp3 to make it even easier!
