Year 7/8 Mathswell - Well done to Vita Lawson, Theo Dawson, Sam Elton, Johnny Hannah, Kohurangi Jones and James Fullelove for participating in this Wellington run maths competition. Special thanks to Bridget Chater for her support tutoring our teams over the past years. The team did us proud although didn't place this time.

Te Taonga Horomata: Pūmau. Virtue: Steadfastness

We are faithful and enduring with those we love. We commit ourselves to something for however long it may take. We are like a strong ship in a storm. We don't allow ourselves to be battered or blown off course. We hold on and ride the waves.

'Anyone who wants to become a winner must not depend on his or her ability, effort and strength but only on their courage, focus and steadfastness.'
